

Dear Brewer:

The 9th Annual Sun Valley Brewfest (www.sunvalleybrewfest.com) is set for Saturday, June 17, 2023 at the Sun Valley Festival Meadows. We would like to invite you to participate.

The Brewfest is one of the marquee events in Ketchum/Sun Valley. It has grown in attendance from 500 participants in our first year to more than 1,000 participants in 2022! The best part for brewers like you, is that you get incredible geographic exposure for your product by coming to just one place! Last year we surveyed our participants and found:

- 48% were local to the Ketchum/Sun Valley area.
- 42% were from other parts of Idaho and the Mountain West states of Utah, Nevada, Wyoming, Oregon, Montana and Colorado
- 10% were from outside the Mountain West, including participants from five foreign countries.

There is no charge to brewers for booth space. This is a fundraiser for the Ketchum/Sun Valley Rotary Club Charities, and we appreciate the donation of your time and beer. Over the years , and thanks to you we have raised nearly \$250,000 for non-profits and charities!!

This is a tasting event where participants purchase a commemorative glass that entitles them to 4 oz tastes of as many beers or cider as they wish to sample. We ask that you bring enough product to last for the entire festival (hours are 12 pm - 6 pm). And an estimated attendance of 1500 people. We estimate you will need a minimum 2 x ½ bbl. If you want to feature several beers, please bring 1/6 barrel equivalents.

In past years, we had over 30 + Brewers from all over the Northwest. We expect space to fill up quickly, so please get back to me as soon as you can to confirm. If you have any questions, I can be reached via text or voice at 208-471-0117.

I look forward to hearing from you.
